

Cabinets Plus, Inc.
Palatine, IL
www.cabinetsplus.com

We are looking for craftsmen to help us continue our long-standing reputation for quality and high customer approval. Our installers work on two-men crews on interior remodeling projects that include installation of cabinets, doors, drywall, trim, and flooring, with some light electrical and plumbing work typical to kitchens and bathrooms.

Experience high job satisfaction working with other talented professionals on well-organized projects. Transform tired spaces into beautiful new rooms, knowing you have increased home values and enjoyment. Our one-year-plus backlog assures plenty of steady work on a variety of rewarding projects.

Steady year-round work, Monday through Friday, 8 -4
