ROUND LAKE DRUG DELIVERY

THIS IS WHERE WE SAVE AND SUSTAIN LIVES

Baxter is the world's leading provider of manufacturer-prepared IV solutions, with a broad portfolio of premixed drugs. Baxter's Round Lake, Illinois facility has the capabilities and controls for manufacture of cephalosporins, penicillins and non-cephalosporin in GALAXY Premix Systems. Our Round Lake facility is a best-in-class aseptic solution manufacturer. Our team has decades of experience in parenterals development, manufacturing, and partnering. Parenteral delivery systems, such as ready-to-use premixed drugs manufactured in our Round Lake facility, save and sustain lives.
