## ESTIMATOR POSITION AVAILABLE

*Take a leap into the fast-paced convention industry!*

Sho-Link, a provider of carpenter labor for tradeshows at convention centers nationwide, has an opening for an entry-level labor Estimator. Training for our specific industry will be provided.

Every tradeshow has exhibits – and every exhibit needs to be set-up for the show and then taken down after the show is done! Imagine the variety of configurations & materials used to make this happen... Now imagine the stimulating challenge of providing a time and materials estimate to a client of how long each unique exhibit set will take.

*The ideal candidate has these qualities:*

- Ability to read & understand technical drawings & specifications
- Analyze labor, material, and time requirements for a project
- Ability to solve practical problems & interpret instructions
- Input cost data into company database
- Analytic and math skills
- Familiar with Excel
- Works well independently
- Has a passion for details
- Good interpersonal & written communication skills
- Ability to work under pressure & meet deadlines

**This is a full-time position with benefits including 401(K). Based out of our Lake Forest, IL office with WFH hybrid options available.**

**For more information and/or to apply please contact us:**
